Kaiser Permanente Insurance Company

The Summary of Benefits and Coverage (SBC) document will help you choose a health plan. The SBC shows you how you and the plan would share the cost for covered health care services. NOTE: Information about the cost of this plan (called the premium) will be provided separately. This is only a summary. For more information about your coverage, or to get a copy of the complete terms of coverage see

www.kp.org/plandocuments or call 1-888-865-5813 (TTY: 711). For general definitions of common terms, such as allowed amount, balance billing, coinsurance, copayment, deductible, provider, or other underlined terms, see the Glossary. You can view the Glossary at www.healthcare.gov/sbc-glossary/ or call 1-888-865-5813 (TTY: 711) to request a copy.

| What is the overall deductible?                                      | \$5,000 Individual / \$10,000 Family                                                                 | Generally, you must pay all of the costs from <u>providers</u> up to the <u>deductible</u> amount before this <u>plan</u> begins to pay. If you have other family members on the <u>plan</u> , each family member must meet their own individual <u>deductible</u> until the total amount of <u>deductible</u> expenses paid by all family members meets the overall family <u>deductible</u> .                                                                                                                    |
| Are there services covered before you meet your deductible?          | Yes. Preventive care and services indicated in chart starting on page 2.                             | This <u>plan</u> covers some items and services even if you haven't yet met the <u>deductible</u> amount. But a <u>copayment</u> or <u>coinsurance</u> may apply. For example, this <u>plan</u> covers certain <u>preventive services</u> without <u>cost sharing</u> and before you meet your <u>deductible</u> . See a list of covered <u>preventive services</u> at <a href="https://www.healthcare.gov/coverage/preventive-care-benefits/">https://www.healthcare.gov/coverage/preventive-care-benefits/</a> . |
| Are there other deductibles for specific services?                   | No.                                                                                                  | You don't have to meet deductibles for specific services.                                                                                                                                                                                                                                                                                                                                                                                                                                                          |
| What is the <u>out-of-pocket</u> <u>limit</u> for this <u>plan</u> ? | \$8,700 Individual / \$17,400 Family                                                                 | The <u>out-of-pocket limit</u> is the most you could pay in a year for covered services. If you have other family members in this <u>plan</u> , they have to meet their own <u>out-of-pocket limits</u> until the overall family <u>out-of-pocket limit</u> has been met.                                                                                                                                                                                                                                          |
| What is not included in the out-of-pocket limit?                     | Premiums, health care this plan doesn't cover, and services indicated in chart starting on page 2.   | Even though you pay these expenses, they don't count toward the out-of-pocket limit.                                                                                                                                                                                                                                                                                                                                                                                                                               |

To see examples of how this <u>plan</u> might cover costs for a sample medical situation, see the next section.

# **About these Coverage Examples:**

This is not a cost estimator. Treatments shown are just examples of how this <u>plan</u> might cover medical care. Your actual costs will be different depending on the actual care you receive, the prices your <u>providers</u> charge, and many other factors. Focus on the <u>cost sharing</u> amounts (<u>deductibles</u>, <u>copayments</u> and <u>coinsurance</u>) and <u>excluded services</u> under the <u>plan</u>. Use this information to compare the portion of costs you might pay under different health <u>plans</u>. Please note these coverage examples are based on self-only coverage.
