The Summary of Benefits and Coverage (SBC) document will help you choose a health plan. The SBC shows you how you and the plan would share the cost for covered health care services. NOTE: Information about the cost of this plan (called the premium) will be provided separately. This is only a summary. For more information about your coverage, or to get a copy of the complete terms of coverage see https://kp.org/plandocuments or call 1-855-249-5018 (TTY: 711). For general definitions of common terms, such as allowed amount, balance billing, coinsurance, copayment, deductible, provider, or other underlined terms, see the Glossary. You can view the Glossary at www.healthcare.gov/sbc-glossary/ or call 1-855-249-5018 (TTY: 711) to request a copy.

Important Questions	Answers	Why this Matters:
What is the overall deductible?	KP Plan Provider: $1,650 Individual / $3,300 Family; Participating Provider: $3,300 Individual / $6,600 Family; Non-Participating Provider: $4,500 Individual / $9,000 Family;	Generally, you must pay all of the costs from providers up to the deductible amount before this plan begins to pay. If you have other family members on the policy, the overall family deductible must be met before the plan begins to pay.
Are there services covered before you meet your deductible?	Yes. Preventive care and services indicated in chart starting on page 2.	This plan covers some items and services even if you haven't yet met the deductible amount. But a copayment or coinsurance may apply. For example, this plan covers certain preventive services without cost sharing and before you meet your deductible. See a list of covered preventive services at https://www.healthcare.gov/coverage/preventive-care-benefits/.
Are there other deductibles for specific services?	No.	You don't have to meet deductibles for specific services.
What is the out-of-pocket limit for this plan?	KP Plan Provider: $3,400 Individual / $6,800 Family; Participating Provider: $4,650 Individual / $9,300 Family; Non-Participating Provider: $8,050 Individual / $16,100 Family	The out-of-pocket limit is the most you could pay in a year for covered services. If you have other family members in this plan, they have to meet their own out-of-pocket limits until the overall family out-of-pocket limit has been met.
What is not included in the out-of-pocket limit?	Premiums, precertification penalties, balance-billing charges, health care this plan doesn't cover, and services indicated in chart starting on page 2.	Even though you pay these expenses, they don't count toward the out-of-pocket limit.

Important Questions	Answers	Why this Matters:
Will you pay less if you use a network provider?	Yes. See www.kp.org or call 1-855-249-5018 (TTY: 711) for a list of network providers.	You pay the least if you use a provider in the Kaiser Permanente network. You pay more if you use a provider in the participating provider network. You will pay the most if you use an out-of-network provider, and you might receive a bill from a provider for the difference between the provider's charge and what your plan pays (balance billing). Be aware, your network provider might use an out-of-network provider for some services (such as lab work). Check with your provider before you get services.
Do you need a referral to see a specialist?	Yes (to be covered at the plan provider level), but you may self-refer to certain specialists.	This plan will pay some or all of the costs to see a specialist for covered services but only if you have a referral before you see the specialist.

⚠ All copayment and coinsurance costs shown in this chart are after your deductible has been met, if a deductible applies.
