## Medicare Part D prescription drug coverage†

The amount you pay for drugs will be different depending on:

- The plan you enroll in (Basic or Enhanced).
- The tier your drug is in. There are 6 drug tiers. To find out which of the 6 tiers your drug is in, see our Part D formulary at [kp.org/seniorrx](http://kp.org/seniorrx) or call Member Services to ask for a copy at **1-800-443-0815** (TTY **711**), 7 days a week, 8 a.m. to 8 p.m.
- The day supply quantity you get (like a 30-day or 100-day supply). Note: A supply greater than a 30-day supply isn't available for all drugs.
- Whether you get your prescription filled by one of our retail plan pharmacies or our mail-order pharmacy. Note: Not all drugs can be mailed.
- The coverage stage you're in (deductible, initial coverage, coverage gap, or catastrophic coverage stages).

**Important Message About What You Pay for Insulin** – You won't pay more than **\$35** for a one-month supply of each insulin product covered by our plan, no matter what cost-sharing tier it's on.

**Important Message About What You Pay for Vaccines** – Our plan covers most Part D vaccines at no cost to you.

Note: Medicare provides Extra Help to pay prescription drug costs for people who have limited income and resources. If you are entitled to Extra Help, the cost-sharing below may not apply to you; instead please refer to the **Evidence of Coverage Rider for People Who Get Extra Help Paying for Prescription Drugs**.

### Deductible stage

Because we have no deductible, this payment stage does not apply to you and you start the year in the initial coverage stage.

## Initial coverage stage

You pay the copays and coinsurance shown in the chart below until your total yearly drug costs reach **\$4,660**. (Total yearly drug costs are the amounts paid by both you and any Part D plan during a calendar year.) If you reach the \$4,660 limit in 2023, you move on to the coverage gap stage and your coverage changes.

Drug tier	Retail plan pharmacy	Mail-order plan pharmacy
<b>Tier 1</b> (Preferred generic)	<b>\$0</b> (up to a 100-day supply)	
<b>Tier 2</b> (Generic)	<b>\$12</b> (up to a 30-day supply)	
• Basic plan	<b>\$5</b> (up to a 30-day supply)	
• Enhanced plan	<b>\$5</b> (up to a 30-day supply)	
<b>Tier 3</b> (Preferred brand-name)	<b>\$45</b> (up to a 30-day supply)	
<b>Tier 4</b> (Nonpreferred brand-name)	<b>\$100</b> (up to a 30-day supply)	
<b>Tier 5</b> (Specialty)	<b>33%</b> coinsurance (up to a 100-day supply)	
<b>Tier 6</b> (Vaccines)	<b>\$0</b>	Not applicable

When you get a 31- to 100-day supply of drugs in Tiers 2-4, the copays listed above in the chart will be multiplied as follows:

- If you get a 31- to 60-day supply from a retail plan pharmacy, you pay 2 copays; and you pay 3 copays if you get a 61- to 100-day supply.
- If you get a 31- to 100-day supply of drugs from our mail-order pharmacy, you pay 2 copays.

## Coverage gap stage

The coverage gap stage begins if you or a Part D plan spends **\$4,660** on your drugs during 2023. You pay the following copays and coinsurance during the coverage gap stage:

Drug tier	You pay
<b>Tiers 1, 2, and 6</b>	The same copays listed above that you pay during the initial coverage stage
<b>Tiers 3, 4, and 5</b>	<b>25%</b> coinsurance

## Catastrophic coverage stage

If you or others on your behalf spend **\$7,400** on your Part D prescription drugs in 2023, you'll enter the catastrophic coverage stage. Most people never reach this stage, but if you do, your copays and coinsurance will change for the rest of 2023. You pay the following copays per prescription during the catastrophic coverage stage:

Drug	You pay
<b>Generic drugs</b>	<b>\$0</b>
<b>Brand-name drugs</b>	<b>\$12</b>
<b>Part D vaccines</b>	<b>\$0</b>

## Long-term care, plan home-infusion, and non-plan pharmacies

- If you live in a **long-term care facility** and get your drugs from their pharmacy, you pay the same as at a retail plan pharmacy and you can get up to a 31-day supply.
- Covered Part D **home infusion** drugs from a plan home-infusion pharmacy are provided at no charge.
- If you get covered Part D drugs from a **non-plan pharmacy**, you pay the same as at a retail plan pharmacy and you can get up to a 30-day supply. Generally, we cover drugs filled at a non-plan pharmacy only when you can't use a network pharmacy, like during a disaster. See the **Evidence of Coverage** for details.

## Advantage Plus (optional benefits)

In addition to the benefits that come with your plan, you can choose to buy a supplemental benefit package called Advantage Plus. Advantage Plus gives you extra coverage for an additional monthly cost that's added to your monthly plan premium. See the **Evidence of Coverage** for details.

Advantage Plus benefits and premiums	You pay
<b>Additional monthly premium</b>	<b>\$14</b>
<b>Additional eyewear allowance</b> Every 24 months, a \$290 allowance is added to the \$150 allowance described in "Vision services" above.	If your eyewear costs more than the combined allowance of \$440, <b>you pay the difference.</b>
<b>Dental care*†</b> DeltaCare® USA Dental HMO Program	Varies depending on the dental service. See the <b>Evidence of Coverage</b> for details.

## Who can enroll

You can sign up for one of our plans if:

- You have both Medicare Part A and Part B. (To get and keep Medicare, most people must pay Medicare premiums directly to Medicare. These are separate from the premiums you pay our plan.)
- You're a citizen or lawfully present in the United States.
- You live in the service area for these plans, which is all of **Stanislaus County**.

## Coverage rules

We cover the services and items listed in this document and the **Evidence of Coverage**, if:

- The services or items are medically necessary.
- The services and items are considered reasonable and necessary according to Original Medicare's standards.
- You get all covered services and items from plan providers listed in our **Provider Directory** and **Pharmacy Directory**. But there are exceptions to this rule. We also cover:
  - Care from plan providers in another Kaiser Permanente Region
  - Emergency care
  - Out-of-area dialysis care
  - Out-of-area urgent care (covered inside the service area from plan providers and in rare situations from non-plan providers)
  - Referrals to non-plan providers if you got approval in advance (prior authorization) from our plan in writing

Note: You pay the same plan copays and coinsurance when you get covered care listed above from non-plan providers. If you receive non-covered care or services, you must pay the full cost.

For details about coverage rules, including non-covered services (exclusions), see the **Evidence of Coverage**.

## Getting care

At most of our plan facilities, you can usually get all the covered services you need, including specialty care, pharmacy, and lab work. You aren't restricted to a particular plan facility or pharmacy, and we encourage you to use the plan facility or pharmacy that will be most convenient for you. To find our provider locations, see our **Provider Directory** or **Pharmacy Directory** at [kp.org/directory](http://kp.org/directory) or ask us to mail you a copy by calling Member Services at **1-800-443-0815 (TTY 711)**, 7 days a week, 8 a.m. to 8 p.m.

The formulary, pharmacy network, and/or provider network may change at any time. You will receive notice when necessary.

## Your personal doctor

Your personal doctor (also called a primary care physician) will give you primary care and will help coordinate your care, including hospital stays, referrals to specialists, and prior authorizations. Most personal doctors are in internal medicine or family practice. You may choose any available plan provider to be your personal doctor. You can change your doctor at any time and for any reason. You can choose or change your doctor by calling Member Services or at [kp.org/finddoctors](http://kp.org/finddoctors).

## Help managing conditions

If you have more than one ongoing health condition and need help managing your care, we can help. Our case management programs bring together nurses, social workers, and your personal doctor to help you manage your conditions. The program provides education and teaches self-care skills. If you're interested, please ask your personal doctor for more information.

## Notices

### Appeals and grievances

You can ask us to provide or pay for an item or service you think should be covered. If we say no, you can ask us to reconsider our decision. This is called an appeal. You can ask for a fast decision if you think waiting could put your health at risk. If your doctor agrees, we'll speed up our decision.

If you have a complaint that's not about coverage, you can file a grievance with us. See the **Evidence of Coverage** for details about the processes for making complaints and making coverage decisions and appeals, including fast or urgent decisions for drugs, services, or hospital care.

### Kaiser Foundation Health Plan

Kaiser Foundation Health Plan, Inc., Northern California Region is a nonprofit corporation and a Medicare Advantage plan called Kaiser Permanente Senior Advantage. We offer several Senior Advantage plans in our larger Northern California Region's service area, which you can read about in the Evidence of Coverage.

Each plan has different benefits, copays, coinsurance, premiums, and plan service areas. But you can get care from plan providers anywhere in our Northern California Region.

If you move from your plan's service area to another service area in our Northern California Region, you'll have to enroll in a Senior Advantage plan in your new service area.

## **Privacy**

We protect your privacy. See the **Evidence of Coverage** or view our **Notice of Privacy Practices** on [kp.org/privacy](http://kp.org/privacy) to learn more.

## Helpful definitions (glossary)

### **Allowance**

A dollar amount you can use toward the purchase of an item. If the price of the item is more than the allowance, you pay the difference.

### **Benefit period**

The way our plan measures your use of skilled nursing facility services. A benefit period starts the day you go into a hospital or skilled nursing facility (SNF). The benefit period ends when you haven't gotten any inpatient hospital care or skilled care in an SNF for 60 days in a row. The benefit period isn't tied to a calendar year. There's no limit to how many benefit periods you can have or how long a benefit period can be.

### **Calendar year**

The year that starts on January 1 and ends on December 31.

### **Coinsurance**

A percentage you pay of our plan's total charges for certain services or prescription drugs. For example, a 20% coinsurance for a \$200 item means you pay \$40.

### **Copay**

The set amount you pay for covered services — for example, a \$20 copay for an office visit.

### **Deductible**

It's the amount you must pay for Medicare Part D drugs before you will enter the initial coverage stage.

### **Evidence of Coverage**

A document that explains in detail your plan benefits and how your plan works.

### **Maximum out-of-pocket responsibility**

The most you'll pay in copays or coinsurance each calendar year for services that are subject to the maximum. If you reach the maximum, you won't have to pay any more copays or coinsurance for services subject to the maximum for the rest of the year.

### **Medically necessary**

Services, supplies, or drugs that are needed for the prevention, diagnosis, or treatment of your medical condition and meet accepted standards of medical practice.

### **Non-plan provider**

A provider or facility that doesn't have an agreement with Kaiser Permanente to deliver care to our members.

### **Plan**

Kaiser Permanente Senior Advantage.

### **Plan premium**

The amount you pay for your Senior Advantage health care and prescription drug coverage.

### **Plan provider**

A plan or network provider can be a facility, like a hospital or pharmacy, or a health care professional, like a doctor or nurse.

### **Prior authorization**

Some services or items are covered only if your plan provider gets approval in advance from our plan (sometimes called prior authorization). Services or items subject to prior authorization are flagged with a † symbol in this document.

**Region**

A Kaiser Foundation Health Plan organization. We have Kaiser Permanente Regions located in Northern California, Southern California, Colorado, Georgia, Hawaii, Maryland, Oregon, Virginia, Washington, and Washington, D.C.

**Retail plan pharmacy**

A plan pharmacy where you can get prescriptions. These pharmacies are usually located at plan medical offices.

**Service area**

The geographic area where we offer Senior Advantage plans. To enroll and remain a member of our plan, you must live in one of our Senior Advantage plan's service area.

Kaiser Permanente is an HMO plan with a Medicare contract. Enrollment in Kaiser Permanente depends on contract renewal. This contract is renewed annually by the Centers for Medicare & Medicaid Services (CMS). By law, our plan or CMS can choose not to renew our Medicare contract.
