**Important Announcement:**  
**Recall of Phenytoin 125 mg per 5 mL Oral Suspension by Taro Pharmaceuticals**

Dear Kaiser Permanente Member,

You may be affected by a recent recall of Phenytoin 125 mg per 5 mL Oral Suspension manufactured by Taro Pharmaceuticals.

If you are no longer taking this medication or no longer have a supply of this medication, please ignore this letter. If you have a supply of this medication, here is what you need to know about this recall.

**Why is Taro Pharmaceuticals recalling this medication?**

- Taro Pharmaceuticals announced the recall because two lots (batches) of this medication may not mix properly when shaken.
  - Lot # 327874 and lot # 327876 are affected
- Taro Pharmaceuticals issued the recall to assure the health and safety of people who take this medication.

**What should I do with my medication?**

- Do not stop taking your medication, this is not an emergency.
- Please do **not** bring your medication back to the pharmacy.
- Call your pharmacy and discuss exchanging your medication with your pharmacist.
- The pharmacy's phone number is found on the prescription label.

Sincerely,

Kaiser Permanente, National Pharmacy Operations
