April 30, 2020

**Important Announcement:  
Recall of Tetracycline 250 mg and 500 mg capsules by Heritage Pharmaceuticals**

Dear Kaiser Permanente Member,

You may be affected by a recent recall of Tetracycline 250 mg or 500 mg Capsules manufactured by Heritage Pharmaceuticals.

If you are no longer taking this medication or no longer have a supply of this medication, please ignore this letter. If you have a supply of this medication, here is what you need to know about this recall.

**Why is Heritage Pharmaceuticals recalling this medication?**

- Heritage Pharmaceuticals announced the recall because several lots (batches) of this medication did not dissolve properly.
- Heritage Pharmaceuticals issued the recall to assure the health and safety of people who take this medication.

**What should I do with my medication?**

- Do not stop taking your medication, this is not an emergency.
- Call the Washington Drug Recall Information Line at 1 (855) 414-1511 Monday-Friday 8:30 A.M. to 5:00 P.M. and discuss exchanging your medication with your pharmacist.
- The pharmacy will replace your recalled medication with medication that is not affected by this recall **at no charge**.

Sincerely,

Kaiser Permanente, National Pharmacy Operations
