

Kaiser Permanente + HCA HealthONE Rose

HCA HealthONE Rose is one of our in-network facilities at Kaiser Permanente. This award-winning hospital has been carefully evaluated and reviewed for care, quality, and services provided.

HCA HealthONE Rose is a destination hospital that attracts patients from throughout Colorado and around the world. It was the first major health care facility in Denver to provide hospital privileges to a Black doctor (Dr. Edmond F. Noel), one of the first hospitals in Colorado to provide hospital privileges to a female physician, and provided a place for Jewish physicians to practice free from discrimination.

Kaiser Permanente physicians and care teams are now caring for members in these specialties:

- Bariatric surgery
- Maternal fetal medicine
- Obstetrics
- Pediatric hospital medicine
- Perinatal home health care
