

Kaiser Permanente + CommonSpirit St. Anthony Hospital

CommonSpirit St. Anthony Hospital is one of our in-network facilities at Kaiser Permanente. This award-winning hospital has been carefully evaluated and reviewed for care, quality, and services provided.

CommonSpirit St. Anthony Hospital is the primary receiving center for the region's most seriously ill and injured patients. It is designated as a Level I Trauma Center and Comprehensive Stroke Center, as well as the headquarters for Flight For Life® Colorado, an international model for air and ground emergency transport services.

Kaiser Permanente physicians and care teams are now caring for members in these specialties:

- Adult Hospital Medicine
- Anesthesiology
- Electrophysiology (EP) Cardiology
- General Cardiology
- Interventional Cardiology
- Orthopedics
- Psychiatry
- Supportive Care

FEATURED SERVICES

Cardiology

- CommonSpirit St. Anthony Hospital treats heart attacks 15 minutes faster than the national average.
- Its rapid heart attack response times are some of the quickest interventions (opening a blocked artery) in the nation.
- The hospital is one of the few in Colorado to offer Extracorporeal Membrane Oxygenation (ECMO) therapy to patients needing critical respiratory and cardiac support.

Emergency & Trauma Care

- As a Level 1 Trauma Center, CommonSpirit St. Anthony Hospital provides the highest level of care for critically injured patients.
- The hospital is home to T10, a specialized trauma operating room reserved for patients with life-threatening injuries requiring immediate intervention. T10 patients do not go through the emergency room; they are treated within seconds of arriving at the hospital.
