

Kaiser Permanente + CommonSpirit St. Anthony North Hospital

CommonSpirit St. Anthony North Hospital is one of our in-network facilities at Kaiser Permanente. This award-winning hospital has been carefully evaluated and reviewed for care, quality, and services provided.

CommonSpirit St. Anthony North Hospital offers an integrated approach to health and wellness. In 2023, the hospital broke ground on a 132,931 square-foot, five-story expansion that includes a brand-new comprehensive cancer center.

FEATURED SERVICES

Oncology

- CommonSpirit St. Anthony North Hospital's premier cancer center features medical oncology, 13 private infusion rooms, mammography, radiation oncology, and surgical oncology.
- Using advanced technology, including a linear accelerator with IGRT, IMRT, SBRT, SRS, and HDR brachytherapy, the hospital's team of radiation oncology specialists deliver precise treatment plans.

Orthopedics

- Orthopedic surgeons at CommonSpirit St. Anthony North Hospital access the latest robotic systems to help tailor the placement of customized hip and knee implants.

Kaiser Permanente physicians and care teams are now caring for members in these specialties:

- Adult Hospital Medicine
- Anesthesiology
- Electrophysiology (EP) Cardiology
