

Measuring Care Quality

**Kaiser Foundation Hospital
San Diego County
San Diego & Zion Medical Center**

Kaiser Permanente participates in several independent evaluations and analyses that provide our members and the public with reliable information to evaluate the quality of care we deliver and how our performance compares to that of other health care organizations. We are committed to providing a high level of quality care for our members and patients.

Whether you're visiting one of our locations for a simple checkup or a more serious medical treatment, we've got you covered. All over California, people turn to Kaiser Permanente for quality care that's simple, personalized, and convenient.

The Joint Commission Gold Seal of Approval™

The Joint Commission (TJC) has accredited hospitals for more than 50 years. Its standards are among the most rigorous in the industry, and its Gold Seal of Approval requires compliance with standards for quality, safety of care, and other accreditation requirements. Joint Commission surveyors visit accredited health care organizations a minimum of once every 36 months.
