1	At Kaiser Permanente we know your health is shaped by where you live.
2	That's why we go beyond the exam room, creating connections that support better health for you and your neighbors.
3	Because when it comes to health – connection is everything.
4	In 2024, we strengthened our connections.
5	We invested \$4 billion dollars in our communities.
7	When our members needed help, we connected them to: • safe housing • healthy food, and • no-cost health care
8	We worked with partners to: • strengthen public health organizations • respond to climate emergencies like wildfires, heat waves, and floods, and • grow the mental health workforce
9	At Kaiser Permanente, we are more than just a health care provider.
10	We're reimagining what health care looks like in communities, with connections that change lives.
