

## Don't Share the Air – ENGLISH CAPTIONS

1

00:00:01,120 --> 00:00:03,600

- This surge is beyond

2

00:00:03,600 --> 00:00:05,593

what anybody could have imagined.

3

00:00:06,690 --> 00:00:09,170

If people continue to gather

4

00:00:09,170 --> 00:00:12,260

for the upcoming holidays,

5

00:00:12,260 --> 00:00:16,150

we are going to cripple

our hospital system.

6

00:00:16,150 --> 00:00:19,950

- It's the number of beds

filling up very quickly.

7

00:00:19,950 --> 00:00:23,300

- They're talking about

doubling up on the rooms,

8

00:00:23,300 --> 00:00:24,550

tripling up on the rooms,

9

00:00:25,420 --> 00:00:26,942

and I've never seen it like this.

10

00:00:26,942 --> 00:00:28,710

It's getting out of control.

11

00:00:28,710 --> 00:00:31,947

- I'm seeing people die alone.

12

00:00:31,947 --> 00:00:34,400

I'm seeing nurses exhausted,

13

00:00:34,400 --> 00:00:36,030

missing their families

14

00:00:36,030 --> 00:00:38,500

and every day come to work

15

00:00:38,500 --> 00:00:41,090

worried about what am I gonna see today?

16

00:00:41,090 --> 00:00:42,160

- That feeling of not being able

17

00:00:42,160 --> 00:00:42,993

to catch your breath,

18

00:00:42,993 --> 00:00:44,460

imagine doing that while you're trying

19

00:00:44,460 --> 00:00:45,293

to breathe through a straw

20

00:00:45,293 --> 00:00:46,460

that's in your throat,

21

00:00:46,460 --> 00:00:47,670

in your mouth.

22

00:00:47,670 --> 00:00:49,350

That is the horrifying

23

00:00:49,350 --> 00:00:51,550

reality that we have to deal with.

24

00:00:51,550 --> 00:00:53,460

- I also worry about the stamina

25

00:00:53,460 --> 00:00:56,300

and mental health of us providers.

26

00:00:56,300 --> 00:00:57,920

My nursing staff,

27

00:00:57,920 --> 00:00:59,694

what happens if they get sick?

28

00:00:59,694 --> 00:01:02,270

Who's gonna come to the hospital and work?

29

00:01:02,270 --> 00:01:03,990

- Patients are exhausted.

30

00:01:03,990 --> 00:01:05,483

Staff are exhausted.

31

00:01:07,150 --> 00:01:08,710

We are exhausted.

32

00:01:08,710 --> 00:01:10,020

- I'm doing all this work

33

00:01:10,020 --> 00:01:11,970

here for your family,

34

00:01:11,970 --> 00:01:12,810

for your friends,

35

00:01:12,810 --> 00:01:14,740

for people that you may know.

36

00:01:14,740 --> 00:01:17,663

And some people don't take  
it seriously out there.

37

00:01:18,640 --> 00:01:20,790

Sometimes it feels like  
a slap in the face.

38

00:01:21,720 --> 00:01:22,860

- The biggest thing that I hear

39

00:01:22,860 --> 00:01:24,557

from patients all the time is,

40

00:01:24,557 --> 00:01:26,467

"I didn't think it was gonna get this bad"

41

00:01:26,467 --> 00:01:30,300

or, "I never thought I would end up here."

42

00:01:30,300 --> 00:01:31,680

- At the end of the day,

43

00:01:31,680 --> 00:01:33,730

we are people just like you,

44

00:01:33,730 --> 00:01:35,900

caring for people like you.

45

00:01:35,900 --> 00:01:38,250

- If we continue to gather indoors

46

00:01:38,250 --> 00:01:39,690

at the rate that we are,

47

00:01:39,690 --> 00:01:41,240

many more of us will not see

48

00:01:41,240 --> 00:01:42,940

the holidays next year.

49

00:01:42,940 --> 00:01:46,530

- Each one of you have  
a vital role to play

50

00:01:46,530 --> 00:01:49,630

to control the spread of this virus.

51

00:01:49,630 --> 00:01:52,010

- We need to end this pandemic.

52

00:01:52,010 --> 00:01:54,490

- Don't be the person that gives COVID-19

53

00:01:54,490 --> 00:01:56,003

to someone you love or know,

54

00:01:57,540 --> 00:01:59,440

you may not forgive yourself for that.

55

00:02:00,750 --> 00:02:03,250

(light music)
