

What I Love - Northern California
:30s - Physicians

Dr. Keedra McNeill: At Kaiser Permanente, we're leaders in health care.

Dr. Carla Wicks: Our members have a wide range of physicians across specialties to choose from.

Dr. Lisa Chui: With access to each member's medical record, we work together to guide you through your care options.

Dr. Paul Espinas: This collaboration helps us understand and treat the whole patient.

Dr. Maria Koshy: Which saves you time and means we can act sooner.

Dr. Jesus Rodriguez: It's all part of our mission to deliver world class care, and I love being part of that.

Voice-over: Kaiser Permanente.
