

Transcript of Video: Ancillary Hearing Benefits

Did you know you may have access to Hearing Benefits that can support you and your family?

Some hearing exams are free, depending on your health plan. If your plan includes Hearing Benefits, you may also get an allowance to help pay for hearing aids. Healthy hearing can improve communication and lower the chances of illness or injury, so it's important to maintain ongoing care.

Take advantage of all the coverage offered to you through Kaiser Permanente. (Product offerings may vary by region.)
