GET CARE WHEN IT’S CONVENIENT FOR YOU

Thank you for choosing Kaiser Permanente for your health care and coverage. We offer many ways for you to get the care you need when it’s convenient for you. In this guide, you’ll find explanations of all your care options, their locations, and instructions on how to access them, including:

- Chat with a doctor, pharmacist or financial counselor
- E-visits with a Kaiser Permanente nurse
- 24/7 medical advice
- In-person mental health care services

HOW CARE WORKS AT KAISER PERMANENTE

We are an integrated care delivery system, which means all Kaiser Permanente primary care providers, specialists, and other care team members are connected to each other through one computer system called an electronic health record. They have instant access to your complete medical history—including prescriptions, X-rays, and lab and test results. This allows them to coordinate your care—so you don’t have to!

KAISER PERMANENTE MEDICAL OFFICES

At most Kaiser Permanente medical offices, you can see a doctor, fill a prescription, and have lab and imaging services done in the same place. You can get care from any Kaiser Permanente medical offices in Colorado, regardless of which service area you live in or which service area the medical offices are in, including:

- Primary and specialty care
- After-hours care
- Pharmacy, lab, and radiology services
- Vision and audiology services
