

Kaiser Permanente Video Visits

With a few simple steps, you'll be ready to see your Kaiser Permanente clinician. Based on your communication preference, you can join your visit from the Kaiser Permanente Mobile App, KP.org, or through a SMS/text or email message.

For the best video visit experience, download the Zoom application. You can download Zoom to your desktop, tablet, or mobile device and create a free account.

On-screen: [Zoom logo]

Download to a desktop or tablet by going to the Zoom website at zoom.us/download or, on a mobile device, by going to your app store.

On-screen: [zoom.us/download]

If you already have the Zoom app on the device you'll be using for your visit, you won't need to download it again. You can also join your visit using the internet browser on your device. We'll first review connecting from a mobile device. You'll need a front-facing camera, a strong cellular connection with three or more bars, or a high-speed Wi-Fi connection.

On-screen: [Video Visit via Kaiser Permanente App – Connecting from a Mobile Device. Front facing camera, Strong cellular connection with 3+ bars, High-speed Wi-Fi connection.]

Step one, sign into the Kaiser Permanente App.

On-screen: [Step one, sign in to the Kaiser Permanente app]

Step two, scroll down to Appointments to find your upcoming visit. Select Join Appointment, and then click the Join button. You'll be asked to accept terms and conditions. Then, your visit will automatically open Zoom.

On-screen: [Step two, scroll down to Appointments]

Step three, wait for your clinician to join the appointment.

Next, we'll discuss connecting from a computer. You'll need a computer with a camera, a speaker, a microphone, and a high-speed internet connection.

On-screen: [Video Visit via kp.org – Connecting from a computer. Camera, Speaker, Microphone, High-speed Internet]

Step one, visit kp.org and log in.

On-screen: [Step one, visit kp.org and log in.]

Step two, go to Appointments. Locate your video visit appointment. Then click the Join button. You'll be asked to accept terms and conditions. Then, your visit will automatically open Zoom.

On-screen: [Step two, go to Appointments.]

Step three, wait for your clinician to join the appointment.
